IMPORTANT NOTICE

All publications issued by the Department of Agriculture upon which a price has been set are sold by the King's Printer

Prepayment of all charges is required, and remittances by postal note, money order, express order or accepted cheque, should be made payable to the Receiver General for Canada and addressed to the King's Printer, Ottawa. The use of currency for this purpose is contrary to the advice of the postal authorities and entails a measure of risk. Postage stamps and foreign money will not be accepted.

The Special War Revenue Act requires that no person shall issue a cheque payable at or by a bank unless there is affixed thereto an adhesive excise or postage stamp; cheques up to and including \$100, 3-cent stamp, and cheques over \$100, 6-cent stamp.

CLASSIFICATION

Previous to 1922 each branch of the Department of Agriculture had its own system of classifying its publications. A classification instituted at that time consolidated the publications into a departmental system. This classification, designated the New Series, includes circulars, pamphlets, and bulletins according to size and importance, and a fourth series covering acts, orders and regulations. Each of the four series is numbered consecutively from one upwards.
